NEW CLASSES

Junior Company Performance Class

Open to currently enrolled Twinkling and Shining level performers. For those interested in regularly performing at our "small" shows. We have created this class to reward and support the efforts of our "Junior" company performers who consistently attend the small shows. New material will be taught and performed on an ongoing basis. Carol Sottosanti will teach the weekly class. There will be a choreography session once per month on Sundays, as music is learned. There will be no additional cost for this class.

Class availability and pricing are subject to change.

If you are interested in a class that we do not currently offer, please feel free to contact our office to discuss the possibility of adding to our schedule.

Descriptions

Performance Group

Kids Unlimited offers five levels of performance classes providing a diverse combination of dance, musical theatre, voice and drama. All classes consist of dance and movement warm-up, vocal warm-up, staging and routine.

Our **Junior Company** is comprised of both beginner and intermediate students: Sparkling, Twinkling and Shining Stars. As students progress they have the opportunity to move into higher levels and eventually into the more advanced levels offered in our **Senior Company**: Starlight and K-Star. For senior company classes, additional dance and voice instruction is recommended.

Junior company

Sparkling	3-5 years old, preschool
Twinkling	6-8 years old, beginning
Shining I and II	intermediate
<i>Senior company</i>	
Starlight	advanced
K-Star	elite, invitation only (audition requests considered)

Performance Class

We are so excited to start our Junior Company performance class. This will be a weekly class that is geared towards students in Twinkling and Shining who plan to attend the small performances around town throughout the year. This is a free class and you must be enrolled in the Twinkling or Shining Performing class.

Dance Levels

Level I. A joyful introduction to the dance form and elements of body, space, time and energy. Children learn, explore, create, and share.

Level II and III. is for the student who has demonstrated a readiness for a higher level of work and exploration. Children will explore the element of the day and work on this element through technical exercises and movement across the floor.

Level IV-V. A continuation of level III and is for the student interest in the technical, creative, and performing aspects of the dance form.

Class availability and pricing subject to change.
