2:00 – 3:00 pm Wall Street Journal

logistics solutions for nearly 75 years. A \$3.7 billion company, Schneider National conducts business in more than 28 countries worldwide and continues to grow its international service offerings.

Talking Points:

Lofgren can help with the American Trucking Association members. Ask if he will reach out to his peers to assist with raising \$200k.

Would Lofgren give \$50k?

Lofgren might be able to reach out to the "big box" stores. Ask him if there is a company he can call to financially help with the effort.

Stress that donations to WiCFG are not disclosed and can accept Corporate donations without limits.

Date: Tuesday, June 21
Time: 9:00 – 9:30 am
Attendees: Walker, Mark Schwabero

Talking Points:

Discuss that the recall efforts have been finalized and Wisconsin will have nine special state Senate elections this summer: 6 republicans and 3 democrats.

We are rallying the business community's support with such a short timeline. Unlike the unions, we don't have access to that much cash to be competitive. We were hoping to count on your support.

Can Schwabero help with his company and recruiting other companies to make a financial investment. Let him know companies are contributing between \$10k and \$1m.

Would he give \$25k and ask two other guys to match your donation to your 501c4. Let him know that you can accept corporate contributions and it is not reported.
