

NOTICE TO MONROE COUNTY PROPERTY OWNERS

TN. CODE 67-5-2401 - UNCOLLECTED TAXES

If you have not paid your property taxes for 2024 you are advised that after March 1, 2026, a mandatory Chancery Court lawsuit will be prepared by the Trustee Office Attorney to be filed for enforcement of the lien for taxes against the property. Until the filing of such suits on April 1, 2026, taxes may be paid in the Monroe County Trustees Office. Paying 2024 taxes in the Trustees office prior to March 31, 2026 will save you court cost, additional attorney fees, and penalties for each delinquent parcel.
