

**BECO**  
DAIRY AUTOMATION INC.

# DESIGNED FOR THE HERD, BUILT FOR THE HUMAN

When cows are calm, production soars. The BXR Max-Trak ensures both cow and operator safety while improving overall parlor efficiency.

## **Industry's Heaviest Bails (3/16" Stainless):**

No sharp edges or exposed hardware to protect animals and humans alike.

## **40" Tall Bails:**

Optimal balance between easy cow loading and escape prevention.

## **Detacher Cylinder Access:**

Located at front of bail—no need to stand on the platform for servicing.
