SAVING YOU TIME AND LABOR AT PLANTING!

More and more growers are discovering the time-saving benefits of delivering seed in bulk to the field. This is made even easier with the unmatched convenience of the Seed Chariot® models 2620, 3620 and 3620R, along with the bulk box carrier model 1020. Seed Chariot models 2620 and 3620 feature an 18' conveyor and dual-compartment

hoppers with 260- and 360-unit seed capacities, respectively. Model 3620R features a 21' conveyor for loading the tallest planters and drills and has dual-compartment bins with a 360-unit seed capacity. The steep-sloped sidewalls ensure fast and complete unloading. The model 1020 holds two bulk boxes and features a 6" x 18' long conveyor.
