

# SHINE YOUR YIELD

**NEW!**

## LALRISE SHINE<sup>DS</sup>

### PLANTER BOX DRY SEED TREATMENT

- In 64 field trials in seven states, averaged a **5.5-bushel increase** 81% of the time with a **4:1 ROI**.
- Effective in various pH soils, releases phosphorus, boosts early growth.
- One-step application; 20-oz bag treats one bulk box of corn.

Patent-pending  
formulation
