

HARDEST WORKER ON THE FARM.

OUR 7816 DLX provides you with maximum loading capability. With 12 feet of suction hose and a truck loading kit, it can easily move 5500 Bu/hr of corn or barley. At the heart of all this power is Walinga's SRT Sound Reduction Blower and our 2018 Super hardened airlock. The 7816 DLX comes with accessories. See Walinga.com for complete details. Walinga has been building tough reliable equipment for over sixty years which is why farmers agree; for performance and durability, a Walinga Vac is tough to beat in the long run.
