

# ANNUAL PRODUCTION SALE 3.25.26

SELLING 140 YEARLING BULLS & 60 YEARLING ANGUS HEIFERS

**CHOOSE YOUR NEXT HERD SIRE** from a proven cowherd, recognized around the world for fertility, productivity and maternal function. A Mc Cumber cow is bred to be forage efficient, adaptable and long-lived. For 62 years our focus has not wavered and our desire to breed cattle that will be profitable, predictable, and problem free for our customers is at the forefront of our program.

**MC CUMBER PINNACLE 586** Reg 21504528  
**BW: 89/106, WW: 850, 205WT: 756/103**  
A sale highlight with herd bull credentials and generations of the very best Miss Wix cows behind him. Sired by OCC Edge of Glory 841E, who sired last years \$110,000 Mc Cumber Glory Bound 4141. He is a maternal brother to the 2023 sale topper Mc Cumber Black Pearl 291 and his dam entered the ET program this past spring and is one of the very best daughters of Miss Wix 2012 of Mc Cumber in our herd.

**MC CUMBER MAJOR 5143** Reg 21504423  
**BW: 89/105, WW: 905, 205WT: 832/116**  
Mc Cumber Major 5143 and his flush brother Mc Cumber Captain 5112 got everyone's attention this summer on tours to the bull calf pasture. They pack on as much true red meat and muscle as you can put on one and still maintain an appealing look and style all their own. They are sired by Duff Napolean 232 and ET sons of Lassie 9110 of Mc Cumber a full sister to Mc Cumber Zodiac 073, Mc Cumber La Joya 098 and Lassie 090 of Mc Cumber. Unlimited potential with a bright future ahead.

**MC CUMBER MASTERPLAN 5100** Reg 21504399  
**BW: 88/105, WW: 855, 205WT: 764/104**  
The first set of sons by Mc Cumber Masterplan 3194 sell this year and Mc Cumber Masterplan 5100 is one of the best and not only combines muscle, performance and mass but has added style, length and exceptional hoof shape. 5100 represents the sire group well and is one of the top bulls in the entire offering.

**MC CUMBER MILESTONE 581** Reg 215045254A  
**BW: 66/88, WW: 800, 205WT: 778/104**  
One of the top calving ease herd bull prospects sired by Mc Cumber Cow Power 118 and produced from a 2-year-old Mc Cumber Zodiac 073 daughter. Aptly named in our quest to stack as many top cows in a pedigree let alone once, but multiple times has come to fruition with Milestone. Not only is he loaded with outstanding, proven females, but has the look of a herd bull with presence, masculinity, muscle and style.

**MC CUMBER STRATEGY 517** Reg 21504441  
**BW: 80/95, WW: 870, 205WT: 754/103**  
Mc Cumber Strategy 517 is the program. He combines the best of the Miss Wix and Lassie cow families and traces to them multiple times. A logical choice to replace his sire and not only match his ability to sire incredible females, but provide more power, performance and pounds in a forage efficient, easy fleshing package. The proof is in the multiple generations of fertile, productive, long-lived females that back this herd sire prospect.

**SIRES INCLUDE:** Mc Cumber Zodiac 073, Mc Cumber Masterplan 3194, Mc Cumber La Joya 098, Mc Cumber Cow Power 118, OCC Edge of Glory 841E, Duff JC 4Real 16250, D7 Yellowstone 12401 618C, Trendsetter Genesis 2242 and Duff Napoleon 232.
