## OFFICIAL TRACTOR FOR MONTANA STOCK GROWERS ASSOCIATION

**Low-Rate  
Financing on  
Qualified Used  
Equipment**

If you're serious about yield, you're serious about the tractors you use - from tillage work to hay and everything in between. The versatile new Massey Ferguson® 6700 Series and 7700 Series tractors pack the power and performance of a row crop tractor on a frame and suspension that makes them nimble around the barn, too. Engineered from the ground up, then tested in the harshest conditions around the world, Massey Ferguson tractors are built for more power, versatility and long-lasting operation, all while maintaining maximum comfort for the operator. The equipment you choose matters. And farmers who know this shop the Massey Ferguson line available at Churchill Equipment.
