

# HARDEST WORKER ON THE FARM.

**OUR 7816 DLX** provides you with maximum loading capability. With 12 feet of suction hose and a truck loading kit, it can easily move 5500 Bu/hr of corn or barley. At the heart of all this power is Walinga's SRT Sound Reduction Blower and our 2018 Super hardened airlock. The 7816 DLX comes with accessories. See [Walinga.com](http://Walinga.com) for complete details. Walinga has been building tough reliable equipment for over sixty years which is why farmers agree; for performance and durability, a Walinga Vac is tough to beat in the long run.
