

MILES COMMUNITY COLLEGE

Your journey starts here.

Miles Community College offers the full college experience, without losing that small-town feeling. At MCC, you'll find small class sizes, one-on-one time with faculty, and flexible course schedules, as well as both traditional and online programs and degrees.

State-of-the-art facilities include an athletic center, indoor riding arena, and residence halls, complete with study rooms and student activity areas.

College life, tailored to *your* needs.
