## JUN 27

# SCOUTING & SCHOLARSHIPS

9:30am - 3pm  
AG PHD FIELD DAY SITE | BAL TIC, SD

WE WILL BE AWARDING  
**100+ COLLEGE SCHOLARSHIPS**  
TO ATTENDEES

**In-field breakout sessions will provide hands-on education, including the following topics:**

- ▶ How to pull a soil sample.
- ▶ Using root pits to understand soil health, compaction, crop root growth development, and more.
- ▶ How to pull plant tissue tests and interpret the data to improve crop health.
- ▶ Soil and crop health benefits of drainage tile.
- ▶ The impact of using natural soil microbes in production agriculture.
- ▶ Fertilizer use and recommendations
- ▶ Pesticide safety
- ▶ Carbon credits
- ▶ Saving for retirement

100+ COLLEGE  
**SCHOLARSHIPS**  
TO BE AWARDED JUNE 27!

*\*To be eligible, students must be enrolled in a post-secondary school in the fall.*

**GO TO AGPHD.COM TO REGISTER!**

*This event is geared towards students and farmers under 30, but all who want to learn about agronomy are welcome.*

**WE WILL HAVE... MORE EQUIPMENT, MORE PLOTS, MORE TENTS, MORE FOOD, MORE EDUCATION, AND MORE ENTERTAINMENT THAN ANY FIELD DAY BEFORE.**

## EVENT Highlights

### 1. RESEARCH Plots

Take a guided tour of this Ag PhD Research Station with Darren and Brian so you can see in the field what's performing and what's not.

### 2. EDUCATIONAL Sessions

Topics include estate planning, soil testing, Ag Myths, increasing yields and profits, and much more!

### 3. ALL DAY Entertainment

Vanguard Squadron Air Show, numerous speakers, live polka band, a kid's area, and more.

### 4. FIELD Demos

See the newest technologies and innovations from the best ag companies and industry leaders.

### 4. IT'S Free!

There is no charge for parking, entry, food, demos, or educational seminars.
