

MC CUMBER ZODIAC 073 Reg 19976742
Selling 28 sons on March 25th. They are an impressive sire group with the bred in muscle shape, natural thickness and forage efficiency we strive to consistently produce. His first daughters are exceptional and are on their way to making a large contribution to our program.

MC CUMBER MASTERPLAN 3194 Reg 20840691
Selling 20 sons that combine the best of the Miss Wix and Lassie cow families. The high seller from our 2024 production sale. His first progeny are living up to high expectations. He sires added length and extensions with the muscle and capacity we demand our cattle possesses.

MISS WIX 0009 OF MC CUMBER Reg 19892635
Miss Wix donor dam and an outstanding daughter of Miss Wix 2012 of Mc Cumber. Her first son topped our 2023 Production sale, Mc Cumber Black Pearl 291 and her herd bull prospect by Edge of Glory will be near the top of the 2026 offering.

LISSIE 090 OF MC CUMBER Reg 19976751
The picture of forage efficiency, this moderate, high volume, easy fleshing, near perfect uddered flush sister to La Joya 098 and Zodiac 073 is making a mark in our program. Her ET sons by Mc Cumber 5005 Titanium 9145 will sell March 25, 2026.

MISS WIX 0211 OF MC CUMBER Reg 19892465
A Tribute daughter who is rising to the top of our program. A granddaughter of Miss Wix 2012 of Mc Cumber that excels for fertility, udder quality, productivity and maternal strength. Her standout son by Mc Cumber Zodiac 073, is the leader of the pack to replace his sire and leads an outstanding sire group that sells here on March 25, 2026.

MISS WIX 0201 OF MC CUMBER Reg 19976738
A beautiful daughter of Zodiac from the Miss Wix cow family. She combines fleshing ease, natural thickness and structural soundness with fertility and productivity. Her Edge of Glory son is a standout in the pen.
