Including this extremely rare 1970 Plymouth Superbird. This is a numbers matching and 1 of 1,935 Superbirds produced. This is also one of very few that were built with the Super Commando 375 HP 440 V8, A833 4-speed pistol grip manual transmission, A33 Track Pack and FJ5 Limelight Green exterior paint. This is an investment quality real deal and fully documented wing car that was inspected by Mopar expert, Dave Wise!
