

# FARM SAFETY CHECK

COVID-19  
FRIENDLY

## Safety for Working Youth

Children, teens, and adults working on farms face hazards not encountered in other jobs. Use these guidelines to determine if youth are ready to perform a job. Learn about hazards and keeping working youth safe. Keep the completed forms for follow-up, future reference and inspections.

You and/or your employee(s) can use this form to complete safety checks on your farm. Use the form below to list additional safety checks you think are important when inspecting your farm. Keep the completed forms for follow-up, future reference and inspections. Additional copies of this form can be downloaded at:
