

Changes to the PSA

1958

Amended to include
all auction markets

1976

Increased financial protections for
livestock producers and expanded
USDA jurisdiction over bonding,
trust protections, wholesale
brokers, dealers and distributors,
and the ability to authorize
civil asset penalties for violations

1987

Provided trust protections
for contract poultry growers

2002

Expanded to include swine
contractors and gave contract
growers the right to sue in
federal court
