Source: ABA-Farmer Mac Agricultural Lenders Survey, August 2022

Mean response to Q3: Please indicate your relative level of concern for the following conditions facing your ag borrowers at this time, with 1 being the highest concern and 12 being the least concern. (To improve readability of the chart, we have converted 1=12, 2=11, 3=10, etc., so that larger bars correspond with higher concern.)
