Mr. Bryan McNeely, Editor
Dairyland Agri-View
444 S. Central Avenue
Marshfield, Wisconsin 54449

Dear Mr. McNeely:

Congratulations on the publication of your new farm magazine, Dairyland Agri-View. The farmers of this nation -- and particularly the dairy farmers -- face an uncertain future and anything that your publication can do to help them solve their problems will be important.

One of the most important of these problems is to make the consuming public understand not only the problems faced by the dairy farmer but the stake the consumer has if the problems are not solved and our domestic dairy industry falters. Any contribution you make in this area will have particular significance.

Cordially,

GAYLORD NELSON
U.S. Senator
