

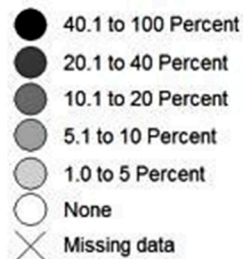

Figure 5**Greenhouse Crops and Produce Growing on Amish Farms in 2014**

Percent* of Amish Farms with Focus on Produce / Greenhouse

* Data excludes households of retirees and missing employment information. Data from 2014 Amish Directory and survey conducted in 2015.

Percent of Amish farms primarily growing produce or greenhouse crops in 2014, by settlement. Primarily based upon occupation data in Amish directory (Miller 2014) supplemented by data from mail survey conducted among Amish bishops and ministers in fall 2015. Cartography by author.
