Noble Street Festival/Sunny King Criterium FAQs

What is “Taste on Noble”?

“Taste on Noble” is a great showcase of area restaurants. Nearly a dozen local restaurants in tents along Noble Street will serve up some teasing for your taste buds from 11:00am to 8:00pm. Enjoy modestly priced snacks, lunch and dinner while relaxing at

outdoor tables in a festival atmosphere. And a portion of all the day's food ticket sales supports our donation to Calhoun County Relay for Life!

What is the Sunny King Criterium bike race?

If you haven't experienced the pro cycling event, DO check it out! It's NASCAR on 2-wheels! Some racers will zoom by you at speeds in excess of 35mph! Racers from amateur to Pro level will compete all day long in multiple races. It's the kick-off race on the official USA Cycling National Criterium Calendar (NCC), meaning...it's a big deal! Hundred of pro make and female racers from around the World! “Criterium” is actually a lap race so you'll see these athletes going around and around, led by the Sunny King Pace Car. So make some noise! Clap your hands! Pump your fists! See the winners crowned on the Sunny King podium throughout the day then stick around for autographs and photos with the racers. If you're hanging out near the Start/Finish line, you will be able to see action on the backside of the race

course by looking up, and watching the Eastman JumboTron. And if you can't be Downtown all day, watch the races on the E-Box Live Stream at home on your computer, and learn more from official e-stream announcer Brad Sohner. To watch, simply visit www.AnnistonCycling.com for details.

What is the Music Cafe?

Sit down, and enjoy the musical talent of a variety of local and regional acts throughout the day. A new artist with a new style of music will fire up every hour on the hour from 11:00am to 6:00pm, with the sweet sounds wrapping up a little before the start of the Sunny King Criterium Pro Men's race at 7:00p. Rest your feet, enjoy some shade, and take in the sweet sounds of some of the area's best musicians

What are the kids' bike and running races?

So popular...so fun! The Mellow Mushroom Mad Dash running race for kids is an exciting, one-lap trot around the three-quarters of a mile bike race course, with a super awesome finish before fans! The Mellow Mushroom Mad Dash starts at 4:50p. Kids from tricycle-age to Grade 6 will pedal their bikes a few hundred yards, and cross the “big kids” Finish Line of the Sunny King Criterium course in front of thousands of cheering fans. The Scion/YMCA Kidz Bike Race will start at 5:20p. Have your cameras ready, and get ready to

post and tweet! There is a fee to participate in each race (and a discount if kids race both); register at Classic on Noble on Saturday, March 28, from noon to 4:00p. T-shirts for every participant (while supplies last)!

Is this a family event?

Absolutely! Kids of ALL ages will find Saturday afternoon in Downtown Anniston fun, entertaining and giggle-worthy!

Is there a cost to attend?

The 2015 Noble Street Festival is FREE to attend! Many of the activities for kids are free, including art activities and projects, performances on the Scion KidZone stage and more! Some kids' attractions, such as rides, bouncy houses, face painting, and balloons do require tickets, which can be purchased from one of four designated Noble Bank ticket tents. Cheering on the cyclists from around the world at the Sunny King Criterium is free...as is listening to live performances from area musicians in the Music Cafe.

Are dogs allowed?

Dogs are allowed; in fact, we will have an area in the KidZone benefiting the Humane Society, however, they MUST be kept on a leash at all times! The cyclists speed around the race course at very high rates of speed, and a runaway dog in the road would be very dangerous. Thanks for keeping your best friend close to you at your side!

Meals On Wheels, An Essential Community Service

Joanne Pope and Nancy Hunnicutt, Co-Directors of Meals on Wheels

Meals on Wheels, one of 8 programs coordinated by Interfaith Ministries, Inc., reaches out to homebound individuals across Calhoun County. Thanks to 125+ dedicated volunteers, hot lunchtime meals prepared by Stringfellow Hospital are delivered 5 days per week throughout each year. In 2014, 163 clients were served a total of 17,797 meals. Without the caring assistance from residents of Calhoun and neighboring counties, delivery of these meals would not be possible. The staff and Board of Directors of Interfaith Ministries are truly grateful to our volunteers for making this ministry possible.

To volunteer to deliver meals for Meals on Wheels, please contact Joanne Pope or Nancy Hunnicutt at 256-237-4538. To assist with the cost of meals for those who cannot afford to pay, send your tax deductible donation to Interfaith Ministries, PO Box 1444, Anniston, AL 36202 or call 256-237-1472.

Nothing Beats Home Sweet Home

Janette Davidson, Meals on Wheels client.

Meals On Wheels has the great joy of having Ms. Janette Davidson as a client. Ms. Davidson has been a client for more than three years, and has been a resident of Anniston for more than forty years. Due to changes in her health and her inability to shop and provide meals for herself, Ms. Davidson receives a hot lunch delivered to her home five days a week. She credits the service with not only providing her with the nutrition she needs, but with also allowing her to stay in her home in her familiar Anniston. She is pleased with the food she receives, and enjoys the company of the volunteers who serve her! Meals On Wheels is honored to provide Ms. Davidson with our service!

To volunteer to deliver meals for Meals on Wheels, please contact Joanne Pope or Nancy Hunnicutt at 256-237-4538. To assist with the cost of meals for those who cannot afford to pay, send your tax deductible donation to Interfaith Ministries, PO Box 1444, Anniston, AL 36202 or call 256-237-1472.

Going Beyond The Call of Duty

Carol Speciale, Meals on Wheels Volunteer.

Carol Speciale works for a local hospice organization, and has still found time to be a consistent and devoted volunteer for Meals On Wheels for going on three years. She truly feels that she is meant to be on earth as a caregiver. Her smile and energy are infectious, and she remains positive making her deliveries in all kinds of weather! Carol has driven the same route during her time as a volunteer, and has become so close to her clients that she feels they are like family. She becomes concerned when they are unwell, and she has also gone the extra mile by taking her clients flowers on Valentine's Day! Carol finds a great deal of satisfaction in her volunteer position with Meals On Wheels, and is treasured by her MOW clients and staff.

To volunteer to deliver meals for Meals on Wheels, please contact Joanne Pope or Nancy Hunnicutt at 256-237-4538. To assist with the cost of meals for those who cannot afford to pay, send your tax deductible donation to Interfaith Ministries, PO Box 1444, Anniston, AL 36202 or call 256-237-1472.

Bringing God's People Together To Serve God's People in Need

I was sick and you gave
me medicine.

I was in pain and you gave
me dental care.

I was alone and you brought
me a warm lunch every day.

I was cold and you kept my
heat on.

I was living on the street and
you gave me comfort.

Dedicating Time Means Changing Lives

Nathaniel Mixon and Dorothy Duncan, Meals on Wheels volunteers.

Each day of the week, Monday - Friday, caring volunteers like Dorothy Duncan and Nathaniel Mixon take time out of their day to drive to Stringfellow Hospital to pick up meals for delivery to homebound individuals in Calhoun County. Despite cold, rain, or heat, they always arrive at the hospital with smiles that light up the hallway where volunteers gather to collect their meals. This fabulous twosome not only deliver meals but they deliver cheer and joy to those in their charge. Our hats are off to Dorothy and Nathaniel for the positive impact they are making on the lives of others through this ministry.

To volunteer to deliver meals for Meals on Wheels, please contact Joanne Pope or Nancy Hunnicutt at 256-237-4538. To assist with the cost of meals for those who cannot afford to pay, send your tax deductible donation to Interfaith Ministries, PO Box 1444, Anniston, AL 36202 or call 256-237-1472.

If only our water infrastructure could talk to us. The pipes running below our streets might remind us that they carry the very lifeblood of our community. Tap water keeps us healthy, fights fires, supports our economy and provides us with the high quality of life we enjoy.

We are all stewards of the water infrastructure generations before handed down to us, and our water bills keep that system strong and reliable. For more information about what your tap water delivers, visit www.awwsb.org.

When A Hot Meal Means So Much

Mia Sigler is one of numerous Calhoun County residents benefitting from the Meals on Wheels Program (MOW). Having only the use of one arm and hand, this courageous young lady meets each day with a spirit of steadfast determination to get her 14 year old daughter off to school and to accomplish the tasks of daily living before her. Even the smallest of tasks such as opening a plastic bag or just getting out of bed can be extremely hard and time consuming. With one hot, well balanced meal delivered daily by caring volunteers, we can at least be sure that she is getting some of her daily nutritional needs met. MOW is proud to help make life a little better for her and for our other meal recipients. And we have Calhoun County to thank for helping make it all possible.
