Welcome from the Race Director

This bird is...**35 years old**...so come celebrate with us! The Anniston Runners Club (ARC) and our members, invite you to our premier annual event - **the 35th Annual Historic Woodstock 5K and Kidstock 1 Mile**. Woodstock is a fun, healthy, community event where 1300+ runners and walkers came last year to shake their tail feathers for others. This year we are proud to, yet again, host the **Road Runners Club of America's Southern Region 5K Championship!** You will find that Woodstock is a challenging 5K equipped with world class start/finish lines. You will experience our famous up the hill finish on Woodstock Avenue and then a great after-race celebration with food, music, fellowship and vendors. So, come on and get your run (or walk) on with us, because we promise that you will not leave Woodstock disappointed - our runners, our volunteers and our community guarantee it. Also, be sure to check out our ever so popular Team Challenge! You receive a discount and a chance to win a cash prize, so start recruiting members because the 'Team with the Most Participants' will win a **\$750 CASH PRIZE!** In 2014, the proceeds from the Woodstock 5K allowed the ARC to donate over \$10,000 to local programs, such as the East Central Alabama United Cerebral Palsy Center, Special Olympics and others! Our goal is to keep increasing that amount!

Mark your calendars now for **Saturday, August 1, 2015**, and help us celebrate our 35th Birthday/Anniversary – do it for charity, do it for fun, do it for your community, and do it for others, but most importantly **DO IT FOR YOU!**

See you on Race Day!

All About Woodstock/Kidstock

Woodstock Facebook Page

Be sure to go **LIKE** the official Woodstock 5k (Anniston, AL) Facebook page for race updates and information! This is a great way to communicate with our runners and fans, plus a fast way for you to ask us questions. Just type in "Woodstock 5K (Anniston, AL)" in your Facebook search bar and press the **LIKE** button! **LIKE** away!

Virtual Race Bags

As a part of our ever-going green efforts, you will **NOT** find your typical race packets; instead we have Virtual Event Bags - The Ultimate Virtual Goody Bag Solution for Endurance Events! Each runner will receive an email a week before Woodstock and the day after with a link that will lead you to your very own Virtual Race Bag! The bag is full of local and national offerings – pick and choose which ones appeal to you and discard the others. This eliminates the unwanted waste (paper and plastic) of standard race packets that normally end up the trash. Participants will still need to come and pick up your race shirts and bibs (check the Schedule of Events).

Woodstock Water Bottles

Continuing our "green" friendly race initiative, once you cross the Woodstock finish line you will be handed your very own Woodstock commemorative water bottle full of ice-cold water, sponsored by Wells Fargo Advisors. We will have water/Gatorade stations all around for you to refill and replenish the fluids you lost on our course.

Remember at the Remembrance Run

In 2012, Anniston Runners Club decided to hold a Remembrance Run as a poignant way to remember special people. Two of our members had passed away, and as a tribute to their memory, we turned our largest Woodstock training run into an event by inviting runners to participate in honor of or in memory of someone who had touched their lives in a meaningful way.

Moore Printing graciously donated "memory bibs" where participants could write in the names of their loved ones. Anniston Runners

Club created this event as a give-back to our members, no fee for running the course.

The run has grown in popularity each year. Members have found the race to be a memorable way to pay homage to those whom they have lost, or to those whom they want to honor.

On Saturday, July 25, Anniston Runners Club will hold the 4th annual Remembrance Run at 7:30 a.m. on the Woodstock 5K course. Walkers, runners, club members and non-members are invited to attend.

For more information, contact Brooke Nelson, brookenelson@amcvets.com

HISTORY OF THE WOODSTOCK 5K

If you are a long time resident of Anniston, you may remember piling into an non air-conditioned auditorium at Anniston High School during the summer months of the late 1970's to see a string of classical plays during the Alabama Shakespeare Festival. This festival was also held in conjunction with one of the largest foot races in the southeast, the Midsummer Morn 5K, which was sponsored by The Anniston Star, but promoted and supported by the Anniston Runners Club, which was established in 1980.

In 1986, the Alabama Shakespeare Festival was relocated to Montgomery, AL., but The Anniston Star and Anniston Runners Club continued to support the Midsummer Morn 5K. The club opted to change the race's name to fit the course on Woodstock Avenue and the Peanuts character "Woodstock" was inevitably chosen as the mascot. It was then the Woodstock 5K was born.

Patrick Wiggly, owner of Wig's Wheels in Anniston, first participated in the race, in 1992, as a soldier at Fort McClellan. During this time, soldiers were required to run the race. Wiggly says, "I was on the Post running team at the time but didn't post any kind of result. I did, however, get to witness the coolness of the troops running in formation and singing cadence behind the racers."

Steven Folks, PARD Director for the City of Anniston, also participated in

the race during its early days. Mr. Folks arrived at Fort McClellan as a drill sergeant in 1988. Mr. Folks' account of the race is very similar to Patrick Wiggly's- with soldiers running in formation and singing cadences to keep in step- but Mr. Folks expands a bit and adds, "There was competition within the companies to see who could sing the loudest and impress the crowds. It was the army's way of sharing their lifestyle with the civilians."

When Fort McClellan closed in 1997, participation in the race fell significantly. However, due to the dedication of a few members of the Anniston Runners Club, its sponsors, and Anniston High School participation continues to grow again each year. The Anniston Runners Club has seen a huge resurgence to their membership in recent years, growing from 49 members in January of 2006 to more than 300 to date. The Woodstock 5K has paralleled the same growth spurt. Only 79 runners toed the starting line in August of 2005, but almost 1,500 participated in 2014!

Brooke Nelson, the former director of Woodstock, believes the race has survived for many reasons. She says, "Having the Rocky Hollow Neighborhood Association embrace us like they have has been huge! They make it so fun to run the training runs. Their energy is infectious. We are good for their neighborhood and they are GREAT for us!" Training runs are usually offered beginning the first week in June.

Some training runs may have up to 200 runners, making Woodstock a true community happening.

Woodstock has also continued to grow as a result of the reinstatement of the Grand Prix- a series of local road races throughout northeast Alabama designed to increase participation in area races and increase membership in the Anniston Runners Club. On a national level, Woodstock is listed as a RRCA Southern Region Championship by the Road Runners Club of America (RRCA), and has hosted the National 5K Championship title three times. The RRCA is a national organization dedicated to promoting the development and growth of running clubs and events, much like the Grand Prix. This event not only lures in local runners, but professional runners from all over the country, as well.

On February 26, 2013, the Anniston City Council designated the Woodstock 5K as a historic course and erected historic signs at the Start and Finish Lines.

August 1, 2015, will mark the 35th Anniversary of this beloved race. A race that has meant so much to many – whether it be their first 5K or the race they set their personal record on – it's Woodstock, and you are bound to have a great time!
