Life's a beach

for Oxford senior heading to Mobile

Oxford High senior Ashlyn Miller receives softball scholarship from University of Mobile

BY LACI BRASWELL

News Journal staff writer

OXFORD — Ashlyn Miller is looking forward to new beginnings and gaining new friends as a freshman at the University of Mobile.

The Oxford High School senior will graduate with more than 300 of her classmates at 7 p.m. on Thursday at Lamar Field (or at the Oxford Performing Arts Center, if there's inclement weather).

"I'm so excited about meeting new people and being so close to the beach," Miller said.

The Oxford native recently received softball and academic scholarships from Mobile, a private, Christian university established in 1961.

"I committed to Mobile last year," she said.

Miller played second and third base, and has been a member of Oxford's varsity softball team since the seventh grade.

"Oxford really opened a lot of doors for me," Miller said. "I'm really thankful for all the support I've had from my coaches, Wendy McKibbin and Wayne Yates."

Before enrolling at Oxford, Miller attended the Donoho School.

"I played softball for the Oxford Stingerz while at Donoho," Miller said. "In the seventh grade I realized that I wanted to be able to play for a school."

Miller noted her current GPA is approximately a 3.5. She is also a member of the HOSA and Key clubs.

"When I was younger, I didn't take school as serious as I do now," she said. "I've realized it's so important to make good grades. I didn't receive a full-ride

scholarship, but it's pretty close."

Miller's family owns and operates local businesses including Miller Funeral Home and Crematory, Miller Florist and Gifts, Miller Monument, and the Miller Event Center. Those family endeavors are guiding her academic pursuits, she said.

"I want to major in business and come back to help my family manage everything," Miller said. "I would love to have my own boutique one day. I love shopping and fashion."

Miller is the daughter of Shelley and Patrick Miller. She also has a younger brother, Wesley, who is a member of

Miller said she will miss having such a strong bond with her classmates.

"We all became really close," she said. "I'm going to miss hanging out at the bowling alley — and the pool parties."

Miller offered the following advice to incoming freshmen: "Don't take the time for granted because it goes by so fast," she said.

Miller also gave advice to her fellow student athletes.

"Always play for God, not yourself, and it will all fall into place."
