asking for aces, followed by 5 clubs for kings. When North denies a king, South can stop in 6 no-trump.)
South has only 10 top tricks:

4 spades, 1 heart, 2 diamonds and 3 clubs. To get up to 13, he needs to find East with the heart king & collect four heart tricks. But that might require taking three fineses in the uit taking three finesses in the suit, which would need 3 dummy entries -- and they are available if spades break 3-2. Cash the spade king, then

overtake the spade queen with dummy's ace. (If someone shows out, hope East has at most king-third of hearts.) In the dummy, you take a heart Now overtake the spade 10

with dummy's jack and repeat the heart finesse. Finally, lead your carefully preserved spade three to dummy's four, take a third heart finesse and claim.
