Chorus

***Let's bring meals and feed our children
Let them all be filled with love
May no one, be stuck in hunger
'cause we all can eat as one***

**Jobs are few and it could be us
Suffering outside from cold
Let's bring warmth and understanding
To the young and to the old**

Chorus

**Some say faith is in the living
And that love comes forth from giving
Don't be fooled by others thinking
'cause we all can eat as one**

Translation by Nicole Chini

A los niños, traigan comida
Y que todos, llenan de amor
Y que nadie sufre de hambre
Y comemos como uno.

Es posible, ser nosotros
Sufriendo en el frío
Traigan calor y compasión
A los niños y los viejos

Dicen que fe, está en la vida
Y que el amor viene de dar
Por favor, no crean los otros
Porque somos como uno.
