<b>*REGISTERED TO TEST</b>	This represents the unique count of the combined number of registered ELA and math PARCC tests (not individual students) in the district.
<b>**NOT TESTED - OTHE</b>	This represents a unique count of tests marked "Not Tested - Other" because the student may have participated in an alternate assessment such as the ACCESS for ELLs or the Dynamic Learning Maps; students who may have either moved or transferred to other schools; high school students who may have been enrolled in a math course for the first part of the semester and were administered the Performance-Based Assessment (PBA) component and then transferred to another course before the End-of-Year (EOY) component began; students who may have chosen not to take the test because they already met their assessment graduation requirement; or students' whose parents refused their child's participation on the state assessment; and any other issues that prevented students from taking the PARCC assessment.
