Or for a day trip, pay a moderate entry fee to park near the water. A beautiful sand beach with guarded swim area is the perfect place to take a dip. Onsite boat rentals include row boats, paddle boats, canoes, and kayaks for use on the inland Sterling Pond waterway. Would you believe there is also an 18-hole golf course within the park? Share a picnic together or visit any of the eateries in the village for a down home good meal.

For engaging nature appreciation, visit the nearby Sterling Nature Center. Here you will find groomed trails, some which lead to a rocky beach bordering Lake Ontario- another desirable location to launch your own small watercraft, while other trails will elevate you to the peak of the glacially carved chimney bluffs. These higher elevations offer an ideal location to fly a kite and take in the views spanning miles across the water.

If you are looking for some high-octane adventure, try your hand at Great Lakes fishing on Lake Ontario via Little Sodus Bay. Lake Ontario is known as a world class fishery, boasting the largest King Salmon caught in the Great Lakes on record. 'Catch' the adventure and 'reel in' a good time for the whole family!

BRUSH UP ON ART AND ENTERTAINMENT

Cayuga County is the entertainment hub of the Finger Lakes Region. Whether it's theater, dance, live performances or music you love, you'll find it all here. Enjoy plays, comedy, dance, film and music at Auburn Public Theater, the artistic center of downtown Auburn. The Finger Lakes Musical Theatre Festival brings professional musical theatre to the Finger Lakes all summer long and the New York Dance Festival brings world-class dance to the region every July.

If visual arts inspire and intrigue you, visit the Schweinfurth Art Center for contemporary exhibitions on fine arts, architecture and design or attend an art class there and create your own works of art! Spend the day exploring Wells College, located in the quaint village of Aurora, this liberal arts college offers a variety of events and self-guided tours. Explore their historic campus and enjoy art exhibits, special programs, guest lectures and more.

PLAN A SHOPPING SPREE

Do a little shopping at nearby Waterloo Premium Outlets, the historic villages of Aurora and Skaneateles or the Destiny USA mega-mall.

FINGER LAKES REGION

Reimagine tourism in the Finger Lakes! This summer, you can still find plenty of safe and exciting things to do in Cayuga, Onondaga and Seneca Counties. From exploring scenic routes to touring award-winning wineries, here's how you can have fun in the Finger Lakes:

SATISFY YOUR SWEET TOOTH

The family-friendly Finger Lakes Sweet Treat Trail is all about the unique sweets and treats that Cayuga County has to offer. The 20 stops along the trail include bakeries, farm stands, stores, ice cream shops, u-pick orchards, eateries, and cafés, all featuring locally grown or produced sweet treats

LIFT YOUR SPIRITS!

Ever dreamed of taking a Finger Lakes wine tour? The region offers more than a dozen premium wineries and several wine trails that follow the banks of five different lakes.

Winding around Cayuga Lake through the heart of the Finger Lakes Region, the Cayuga Lake Wine Trail offers a unique blend of award-winning wines, scenic vistas and local eateries. Established in 1983, the Cayuga Lake Wine Trail is the first organized and longest running wine trail in America. The Trail is open year round and includes 16 wineries, as well as a cidery, distilleries and even a meadery. Many wineries also offer New York State beer by the bottle or on tap.

EXPLORE "HISTORY'S HOMETOWN"

History lovers—prepare to be astounded! Marvel at the Tiffany-designed stained glass in the Willard Memorial Chapel and see where Harriet Tubman settled after her numerous trips rescuing slaves on the Underground Railroad. Then, stop by the Seward House Museum—the former home of William H. Seward, best known for his role in purchasing Alaska. Tip: Head next door to the new Equal Rights Heritage Center to see interactive displays that highlight the state's long history of supporting equal rights.

Or head over to Seneca Falls and visit the top attractions celebrating the suffrage movement. Howland Stone Store Museum is in the Sherwood Equal Rights Historic District and boasts original women's suffrage posters. While you are in the neighborhood, be sure to check out Opendore, the home of Emily Howland, who was known for her contributions to education, women's rights, and abolition. Both properties are on the National Register of Historic Places

MAKE SOME WAVES

Lake Ontario is one of the five Great Lakes in the U.S. and we are lucky to have a slice of it at the northern border of Cayuga County. Cayuga County's parks, lakes and trails provide excellent opportunities for hiking, biking, boating, fishing or just taking in the scenery.

Fair Haven Beach State Park offers cabins as well as campsites for RV or tents.
