DR. JULIANNE MILLER AND CHRIS MILLER, OWNERS OF CANYON PET HOSPITAL, WITH THEIR DOG ROSEC.

"We support High Country Humane because we believe this is the organization best suited to care for the unwanted or neglected companion animals in our community. Their facility is well-equipped and well-staffed and their unwavering commitment to the welfare of animals is inspiring and must be supported."

Canyon Pet Hospital generously supported the rescue work of Paw Placement of Northern Arizona, the parent organization of High Country Humane, and the Canyon Pet Hospital Foundation was an initial donor that helped establish the clinic at High Country Humane so we could provide on-site care to the animals at the shelter.

Julianne and Chris Miller are great examples of local business owners who care about the animals (and the people who love them) and the future of animal welfare in our community!
