

RED MEAT

flensing the flopping flanks of fun

from the secret files of
Max Cannon

Sweetheart, you've got to come and see this.

Honestly, Ted. I am not coming in there to watch that horrible TV show. You know I hate that kind of thing, so why even ask?

But, honey...

This isn't the regular show. This is the adorable 'kids and critters' episode of "World's Grisliest Appliance Mishaps."
