Aroused Badgers Upset Gophers, 23-21

ROUNDY SAYS . . .

MINNEAPOLIS — I don't know who will go to the Rose Bowl. But the Big Ten should send that drum major to the roses from Minnesota.

Holland dropped kickoff in end zone to start game **then decided to pick it up with six Gophers in end with him. And he took off for fifty yards.**

Minnesota scored a TD on first play. End out wide for Gophers no Badger went out to cover him at all. The crowd was yelling cover him cover him. I really saw the lonely end on this play and Minnesota seemed to take three minutes to run this play off.

Late in first quarter Wisconsin made great drive down field McKinney made dazzling run down the middle. That looked good for another TD. Then big Pat dropped pass right in tummy on ten yard line.

This lad Louis Holland for Wisconsin is one of the finest backs to ever wear a Cardinal jersey. He has speed and can spin and cut with any of them in the game said for his weight is hardest hitting back in nation.

As first half ended the Gophers to me looked like they had weakest pass defense in Big Ten easy.

In first half Wisconsin had the Minnesota team doctor on field more than some of Gophers were.

Did Kroner ever make catch of pass in second quarter looked like one at center field fence at Braves Field.

In first half Wisconsin handled Stephens with ease on his sweeps Sandy couldn't do nothing and his passing as half ended was awful bad.

Wisconsin missed TD as half ended with big Pat all alone on five yard line and Holland missed him.

How about this lad Hearn at end for Wisconsin. His pass catching was World Series stuff.

Purnell for Wisconsin is really great star for Badgers his line backing tackling was deadly.

Funny sight one official stepped off 15 yards the wrong way.

Did Nettles ever shake a leg in third quarter folks for TD, he looked like one of them low ears on the brk line.

With five ball on ground in third quarter two Wisconsin men stood and looked at ball they were right on ball. Gophers took ball and scored.

The Wisconsin team near went off the beam when Gophers scored that second touchdown. They jumped and yelled like madmen. They claim the Gophers never scored on this play.

Pat Richter was really a star big Pat faked the Gophers out of their playing socks. It was the greatest game I ever saw Pat play. Most of Gopher fans felt like standing up and give Pat an ovation.

And Ron Miller was deadly on important passes on clutch shots Ron was brilliant.

We had one weakness on Gopher punts we played it about at least four times.

The Gophers couldn't do nothing with Miller in last half. Ron could yelled to them who was going to get the pass and he could of still made the passes and first down. When he goes into the pro league it will be how much do you want kid.

The Wisconsin team was brilliant in this game folks the line play was terrific our ends were great our backs had blocking it was one of finest games I ever saw Wisconsin play.

Late in game Cairns of Gophers made as fine a run as you will ever see his broken field running was terrific, Cairns must threw 10 Badgers off his body in that dash.

This lad Richard Grimm and there were others. And Baer at center looked like All-Big Ten to me with his game.

Wisconsin went haywire on two plays in second quarter ten yards to go on third down tried line plunge then on fourth down got all bawled up on fake field goal kick.

As half ended they had to pull Marsh away from one of the officials and Jacoby came near going to wrong dressing room he really let one official have it and how.

Well I picked this game folks. I gave Wisconsin 21 points.

play. That left the safety job up to Jim Bakken and John Fabry, and they came through like thoroughbreds.

The thrills started with the opening kickoff and the game was a succession of heart-stoppers from there on.

In the Open

Louie Holland took the kickoff on Wisconsin's two, started up the left side, cut across, and was in the open. But Julian Hook had the angle on him and he was brought down on Minnesota's 36.

Bakken tried a field goal from his 37, but it was wide and Minnesota took over on its 20.

On the first play, Stephens hit Tom Hall down the right side on a rollout and Hall outran all Badgers for an 80-yard touchdown.

That was enough to knock a lesser team than Wisconsin to its knees, but the Badgers came back fighting even harder.

Keep Pressure On

It took a 42-yard punt by Bakken to drive Minnesota back to its 20, and that helped Wisconsin keep the pressure on until it could get moving again.

Finally Wisconsin got the ball back on Minnesota's 42, then scored in two plays. Bill Smith ran for two, then Miller hit Richter sprinting in from the right and big Pat burst into the open and zig-zagged his way in a 40-yard touchdown.

Bakken converted to tie the score at 7-7 with 5:30 left in the first quarter, and that was the end of the scoring in the first half.

The clock showed 6:12 left in the third quarter when Jim Nettles picked off one of Stephens' passes on Wisconsin's 40 and raced 40 yards to score. End Dave Richter cleaned out the last Minnesota defender.

Mental Lapse

Bakken kicked for a 14-7 lead and that looked big the way Wisconsin's defense was containing the Gophers. But a mental lapse by the Badgers gave the Gophers a break and, like they have been doing all season, they went in to score. A two-point conversion put them ahead, 15-14.

Miller threw a lateral, Wisconsin's receivers treated it like a forward pass, and Minnesota recovered on Wisconsin's 29.

Stephens threw to Bill Munsey who fought his way for 12 yards. Stephens then tossed to Dave Mulholland for five, and Jerry Jones raced through a gap at left tackle and sprinted 22 yards to score.

Stephens ran Wisconsin's right end for a two-point conversion that brought a tremendous protest from the Badgers who thought they had stopped him short.

Enough to Score

There were 37 seconds left in the quarter, but true to the style Wisconsin had set all season, it was enough to score.

Wisconsin had the ball on its 22 after the kickoff. After one incompletion, Miller threw long to Richter, who fell after making a tremendous catch in the open. The play covered 29 yards and put the ball on Minnesota's 39 with seven seconds left.

Minnesota was penalized for defensive holding, then Richter raced between defenders to pick off Miller's strike pitch and score easily with time already gone.

Wisconsin went for a two-point conversion, but Gary Kroner stepped out of bounds on the one-yard line after taking Miller's running pass.

That gave the Badgers a 20-15 lead going into the final quarter. After halting Minnesota after the kickoff, Wisconsin took the ball on its 20 when Jones' punt rolled into the end zone.

Wisconsin still was on its 20 after three plays, then Bakken got off one of his patented punts to Minnesota's seven. Bob Deegan slashed fast to throw Smith for six-yard loss, then on fourth down Bakken booted his 31-yard field goal for a 23-15 lead with 4:02 left to play.

Minnesota fought back with a drive that started on a grinding effort by Jim Cairns. He took a short pass from Stephens on his own 30 and was in and out of tacklers arms until finally downed on Wisconsin's 25.

Jones took a pass for 21 yards to the four to put the ball in position. Grimm stopped Stephens in his tracks, but Stephens passed to Al Fischer in the end zone. Stephens tried to pass for a two-point conversion to tie the score, but Bakken batted it down and Wisconsin was still in front, 23-21.

Minnesota attempted an onside kick, but Underwood took the ball on Wisconsin's 40, ran to the 49 and the Badgers then ran out the clock.

Ties Passing Record

Wisconsin threw 41 passes in all to tie a record that Iowa, with Glen Treadway throwing, set against Wisconsin in 1959.

Miller completed his 19 out of 37 for 297 yards and Holland hit another for 15 more. Wisconsin netted 49 on the ground for a total of 361.

Minnesota gained 129 rushing and 185 passing to total 314 yards. The Gophers, not generally recognized as a passing team, threw 25 times and completed nine with three intercepted. Stephens, the Big 10's total offense leader, gained 238 yards passing and rushing.

Solid Performance

Miller was one of 14 Badgers to close out their careers, and he went out with a solid performance and a string of records after his name. Some of the more illustrious: Most completions, season, 80; Most completions game, 19; most touchdown passes, season, 9; Most yardage, career, 2,104; Most yardage season, 1,168.

Wisconsin heroes Saturday were every Badger who got into the game. This was a team victory and every member should get credit. Each deserves a special niche.

Bichler Never Better

End Dave Bichler never was better, and that could be said of many, including Bakken, who intercepted two passes and punted for a 41-yard average, including one for 51 yards out of bounds on Minnesota's eight.

Wisconsin's line did a great job defensively. It took much away from the Minnesota attack, containing Stephens well on rollouts most of the time.

This was a brutal Minnesota team on defense. It had good line speed and strong ends.

This was a game where the hitting could be heard as well as seen, and the results were wonderful—for Wisconsin.

Cogbers' final touchdown.

Miller praised the protection his team gave him, calling the effort **"one of the best we've had. I figured the Gophers would be charging hard and I expected to be thrown for more losses but our line came through."**

Miller said he knew he couldn't throw long passes against Minnesota, so **"we decided to pick them apart with the short ones."**

Missouri Fete Speaker

Bakken just smiled at his early lack of field goal success, saying **"That last one was a long time acomin'."**

As the uproar died down a bit, Bruhn got up and said: **"You know, I was asked to speak at the Missouri football banquet next week with Dan Devine. Now we can boast we were the only two coaches whose teams beat Minnesota this year."**

In the rapidly clearing Minnesota dressing room, quarterback Stephens lauded the Wisconsin rush and the ability of the Badgers to control the ball.

"They were in on me all day," said the Gophers' No. 1 All-American candidate, **"and they sure hit those third down passers when they needed them."**

Minnesota halfback Bill Munsey explained the Badger pass receivers were looking in front of the defenders and **"drifting back toward the ball. There wasn't much we could do but tackle them—for gains."**

Stanley Leads Way, Baylor Belts SMU

WACO, Tex. (UPI) — Bennie Stanley became the top passer in Baylor history Saturday as the Bears romped to an easy 21-6 victory over Southern Methodist before 17,000 Dad's Day fans.

Stanley, a 6-1 senior who has shared quarterbacking this year with two other Bears, hit four out of five passes and scored one 10-yard touchdown.

In three years Stanley has 201 completions to better the marks of such former Baylor passing greats as Larry Isbell, Adrian Burk, Billy Patterson, and Cotton Davidson.

LSU Wins, 62-0

BATON ROUGE, La. (UPI)—Louisiana State slaughtered Tulane, 62-0, in its 1961 football season finale Saturday and accepted a bid to play Colorado in the Orange Bowl at Miami New Year's Day.

UCLA Trips Trojans, 10-7

Bruins Capture Rose Bowl Berth

LOS ANGELES (AP) — Tailback Bobby Smith fought his way 44 yards to the winning touchdown as UCLA defeated Southern California, 10-7, Saturday and captured the Rose Bowl assignment for the Big Five Conference.

The winning play came in the third quarter in the rain-drenched Memorial Coliseum. It sent Coach Bill Barnes' Bruins to the Pasadena New Year's Day classic for the fifth time.

A crowd of 57,380—some 20,000 less than actually bought tickets—braved rain and cold for the game.

The third - quarter touchdown came on a break. Trojan quarterback Pete Beathard attempted a short pass but Bruin end Joe Vena leaped and deflected the ball into the hands of teammate Joe Bauwens, a lineman, who galloped 15 yards to the Trojan 32.

It took seven running plays to get the ball over.

The result gave UCLA a 3-1-0 record in the conference and Southern Cal a 2-1-1 league mark.

The Bruins finished with a 7-3 overall record and automatically got the Rose Bowl assignment.

UCLA scored first in the second period on a 31-yard field goal by Smith. A 61-yard run by sophomore Mike Hallizer set it up.

Southern Cal's Beathard returned a quick kick 52 yards for a touchdown and Carl Sivarra converted.

Syracuse Wins, Davis Sets Mark

BOSTON (UPI)—Liberty Bowl-bound Syracuse recovered from last week's "post game" loss to Notre Dame in time to defeat stubborn Boston College, 28-13, Saturday with All-American Ernie Davis setting a record breaking pace.

The last of Jim Brown's Syracuse ball-carrying records fell before Davis who scored two touchdowns, one on a 63-yard pass interception return.

In addition to his long pass runback, Davis sprinted seven times for another Syracuse touchdown and netted 208 yards in the game to run his career ball carrying total to 3,414.

Rice Wallops TCU, Preserves Bowl Hopes

FT. WORTH, Tex. (UPI) — Rambling Randy Kerbow ambled 37 yards for one touchdown and set up two more with his rollouts Saturday and passing to lead Rice to a resounding 35-16 Southwest Conference victory over Texas Christian.

The 180-pound junior quarterback had a big hand in building the Owls' season record to 6-3 and kept Rice alive as Bowl potential material as he rolled for 137 yards in 14 running plays. He also hit all four aerial attempts for 49 yards.

Penn State Blasts Pittsburgh, 47-26

PITTSBURGH (UPI) — Chunky Galen Hall wound up his college career with a flourish Saturday, passing for two touchdowns and scoring two others himself as Penn State walloped arch-rival Pittsburgh, 47-26.

Cousy Hits Mark; Celts, Warriors Win

Bob Cousy became the second player in National Basketball Assn. history to score 15,000 points Saturday night as he led the Boston Celtics to a 126-96 victory over the New York Knickerbockers. Only Syracuse's Dolph Schayes had previously reached that mark.

Philadelphia breezed past Chicago, 134-102, as Wilt Chamberlain scored 39 points. St. Louis snapped out of the doldrums by blasting Syracuse, 141-108, as newcomers Barney Cable and Archie Dees led the way.

Detroit staved off Western division leading Los Angeles, 104-103, in an afternoon national television game.

$1395*

(So what else is new?)

Plenty. Not only is the Dauphine about $200 cheaper than it was a year ago; it's an even better car. To cite one improvement: a synchronized low gear lets you shift back into low without stopping, skip through traffic on the run.

Some other nice, new touches in the '62 Dauphine: Exteriors are dip-painted to get a protective coating into unreachable joints and crevices. The engine now runs even quieter because we've improved the piston design.

Or look at our 1962 Dauphine Deluxe. It's got all-new, all-vinyl interiors and more comfortable foam rubber seats. You can call the front seats "bucket" if you like; they look just like what other people are calling bucket seats. The backs are adjustable to four positions.) Fancy new steering wheel, too.

But how are you going to improve things like up to 40 mpg, gas economy, 4 doors for easy in and out, fancy Paris styling, a big 7 cu. ft. trunk. All this with a 12-month or 12,000-mile warranty. So you wonder, how can we make a car that's so good, and still sell it for $1395? That's for us to know and you to find out...soon, we hope. Come in today and drive your new Dauphine away.
