

**EMPLOYMENT AGREEMENT  
BETWEEN  
UNIVERSITY OF WISCONSIN-MADISON  
DIVISION OF INTERCOLLEGIATE ATHLETICS  
AND  
JOHN BICKNELL III**

This EMPLOYMENT AGREEMENT ("Agreement") is made and entered into as of January 1, 2023 by and between the BOARD OF REGENTS OF THE UNIVERSITY OF WISCONSIN SYSTEM through its duly authorized representatives, the University of Wisconsin-Madison Chancellor and its Director of Athletics ("University"), and John Bicknell III ("Coach" or "Assistant Coach").

**NOW THEREFORE**, University and Coach mutually agree as follows:

**I. THE POSITION**

- A. Coach shall be employed to perform the duties of Assistant Football Coach as assigned and shall work under the immediate supervision of the Head Football Coach.
- B. Coach understands and acknowledges that at any time during the term of Coach's employment, with thirty (30) days written notice, the title and duties as Assistant Coach may be terminated and another football-related title and duties within the Division of Intercollegiate Athletics ("Division") may be assigned. Should Coach be reassigned under this provision, his salary, benefits and entitlement to liquidated damages upon termination without cause, as specified herein, will remain unchanged.
- C. Coach's appointment is an unclassified "limited appointment," pursuant to the definition in the Wisconsin Statutes and Administrative Code applicable to such appointments, except that, to the extent this Agreement specifies the rights and obligations of the parties, this Agreement shall prevail. Neither termination nor re-assignment to another title and duties is appealable.
- D. Coach understands and acknowledges that Coach is employed in a position of trust with access to vulnerable populations and that rules, policies and procedures related to this employment type must be adhered to including recurring criminal background checks. Coach shall be required to self-disclose certain criminal offenses that may occur during the course of employment.

## **II. SCOPE OF SERVICES/DUTIES**

To fulfill the purpose of Coach's employment as Assistant Football Coach, Coach, in a satisfactory and proper manner, shall:

- A. Faithfully and conscientiously perform the usual and customary duties of Coach's appointment and those more fully specified in this Agreement;
- B. Devote full-time, attention, and energy to the duties of Assistant Football Coach as required herein, and to the promotion of the University and its athletic program, and avoid any business or professional activities or pursuits that will prevent Coach from devoting full-time to the performance of Coach's duties under this Agreement, or which will detract in any manner from the duties outlined herein;
- C. Coach agrees to be a loyal employee of the University, to comply with all rules, regulations, policies and decisions established or issued by the University, and to adhere to, respect and follow the academic standards and requirements of the University in regard to the recruitment and eligibility of prospective and current student-athletes;
- D. Coach agrees to abide by and comply with the constitution, bylaws, rules, regulations and interpretations (collectively "Legislation") of the National Collegiate Athletic Association (NCAA), Big Ten Conference and any applicable conferences with which the University may be affiliated (Conference), and University rules and regulations relating to the conduct and administration of the athletic program, including recruiting and eligibility rules, as now constituted or as any of the same may be amended during the term hereof. In the event Coach becomes aware or has reasonable cause to believe that violations of NCAA, Conference or University Legislation may have taken place, shall report the same promptly to the Head Football Coach or the Director of Athletics or designee or the Division's Compliance Coordinator;
- E. Coach agrees to cooperate and make full disclosure of all facts to the proper authorities should there be an investigation of the intercollegiate athletic program, including Coach's conduct, by University, the NCAA, the Big Ten or any other applicable conference with which University may be affiliated.
- F. Coach agrees, throughout the Term, to perform various services (including personal appearances), at the reasonable and good faith discretion of the University and in connection with any agreement with multi-media rights partner and the supplier of apparel, footwear or equipment to athletics.
- G. Coach agrees, throughout the Term, to maintain detailed records regarding, and hereby assigns to the University, any income earned from Athletics' multi-media rights partner, and any apparel, footwear or equipment supplier agreements, to the extent Coach receives or has the right to receive such income directly. Coach further agrees to permit the University reasonable access to any such records.

### **III. TERM OF EMPLOYMENT**

- A. The term of this Agreement shall begin on January, 1, 2023 and, unless terminated earlier pursuant to the terms contained herein, will end without further notice on March 31, 2025.
- B. The term of this Agreement may be extended for additional periods upon such written terms and conditions as may be mutually agreed upon by the parties. In the event the term of Coach's employment with the University is so extended, this Agreement shall continue in full force and effect to the extent that it is not inconsistent with such subsequent written agreements.
- C. Coach's appointment as Assistant Football Coach is directly tied to that of the Head Football Coach. That is, in the event the Head Football Coach is terminated, resigns or ceases performing the duties of Head Football Coach for any reason prior to the end of the term of this agreement, Assistant Coach's appointment pursuant hereto will end, unless specifically extended in writing, at the end of the appointment term or sixty (60) days after notice of the Head Coach's termination, resignation or other cessation of the duties of Coach's position as Head Football Coach, whichever date occurs first. Coach may be required to use accumulated unused vacation and personal leave prior to the end of Coach's appointment as stated in this section per the unclassified staff benefits regulations.

1. Head Coach's death or total permanent disability.

Should Assistant Coach's appointment end under this section III. C. as a result of Head Coach's death or total permanent disability within the meaning of the applicable retirement system or of any University income continuation program definition, Assistant Coach shall be entitled to the liquidated damages set forth in Article V. Section A. 3. (b) below.

2. Other reasons for end of Head Coach's appointment.

The end of Assistant Coach's appointment hereunder for any reason other than the Head Coach's death or total permanent disability, is considered a termination without cause and therefore is subject to the provision for liquidated damages set forth in Article V, Section A.3. (a) below.

- D. If Coach should obtain other employment during any such time that a non-renewal notice has been issued in writing, Coach must immediately notify the Director of Athletics so that an appropriate resignation date can be arranged to coincide with the start date of Coach's new position.

#### IV. COMPENSATION

- A. University agrees to pay Coach as compensation for services as Assistant Football Coach an annual gross base salary of Five Hundred Fifty Thousand Dollars (\$550,000). Said salary, less all applicable withholding, shall be paid to Coach in equal biweekly installments the first year of the Agreement. Effective April 1, 2024 compensation will be increased to Six Hundred Fifty Thousand Dollars (\$650,000). This amount shall be paid to Coach in equal biweekly installments for the remainder of the Agreement including any extensions thereof. Periodically the Board of Regents approves wage increases for a broad number of University of Wisconsin System employees ("Pay Plan"). Any Pay Plan increases are subject to criteria set by the Board of Regents and may or may not lead to additional increases to Coach's salary during the term of this agreement.

Only for the purposes of the Post Season Bonus Policy adopted by the UW-Madison Athletic Board, Coach's "Contracted Base Salary," as referred to in that policy and this Agreement, shall be Five Hundred Thousand Dollars (\$500,000) for the remainder of the Agreement, including any extensions thereof. It is specifically understood and agreed that the "Contracted Base Salary" as referred to in this paragraph is not actual compensation or salary that will be paid to Coach by the University. It is an agreed figure to be used only for the purposes of calculating any award to Coach under the Post Season Bonus Policy adopted by the UW-Madison Athletic Board.

- B. Coach shall be entitled to vacation, sick leave and other benefits available to limited appointees of the University, prorated on the length of appointment.
- C. Coach shall have an opportunity to participate in the Division's Bonus Policy, subject to all the terms and conditions contained therein.
- D. The University shall only be obligated to compensate Coach as specified in this Agreement. Nothing herein constitutes an agreement by the University to guarantee or provide Coach with any collateral sources of income or benefits. The annual gross base salary stated above specifically includes payment for any and all required television, radio or other media appearances on behalf of the University.
- E. The University will grant a relocation stipend in accordance with Athletics' Department policy. If you resign or are dismissed for cause prior to completing one year of employment, you agree to repay to the University the full amount of the stipend within thirty days of the effective date of such separation from employment. Should you resign or be dismissed for cause between 12 and 24 months, you will repay to the University fifty percent of the stipend within thirty days of the effective date of such separation from employment.
- F; As additional compensation, the Division shall provide to Coach an annual automobile allowance as determined by the University. All expenses associated with

automobile, including but not limited to liability, collision and comprehensive insurance shall be borne by Coach.

## **V. TERMINATION AND LIQUIDATED DAMAGES**

### **A. By University.**

University recognizes that the entire term of this Agreement is of the essence of this Agreement to Coach. University also recognizes that Coach is making a highly valuable contribution to University by entering into this Agreement, and that this contribution would be lost were University to terminate this Agreement prior to the expiration of its term. While recognizing these agreements and this entire Agreement, the parties agree that University may, nevertheless, terminate this Agreement prior to the conclusion of the term, but only upon the following terms and conditions.

#### **1. Termination by University for just cause.**

- (a) University may terminate this Agreement at any time for just cause. The term "just cause" shall include, but not be limited to, any of the following:
  - (1) A violation by Coach of any of the terms and conditions of this Agreement, or refusal or unwillingness or inability to perform such duties in good faith and to the best of Coach's abilities that are not remedied after thirty (30) days written notice thereof to Coach;
  - (2) Any conduct of Coach which constitutes moral turpitude, which would constitute a criminal offense under Wisconsin law, or which would tend to bring public disrespect, contempt, or ridicule upon University;
  - (3) Fraud or dishonesty of Coach in the performance of Coach's duties or responsibilities under this Agreement;
  - (4) A violation or failure to report a violation of any law, rule, regulation, constitutional provision or bylaw of University, the applicable conference, or the NCAA, which violation may, in the sole judgment of University, reflect adversely upon University or its athletic program, including any violation which may result in University being sanctioned or placed on probation by a conference or the NCAA;
  - (5) Prolonged absence from duty without University's written consent.

- (b) Prior to termination for cause, University shall provide Coach with written notice of the factual basis for the proposed action and the intended effective date of termination. Coach shall have an informal opportunity to be heard by the Director of Athletics to discuss and rebut the alleged factual basis for the termination. The University has the sole authority to determine whether Coach's actions or inactions merit dismissal.
- (c) In the event this Agreement is terminated for just cause, all obligations of University to make further payments and/or to provide any other consideration hereunder shall cease as of the date of such termination. In no case shall University be liable to Coach for the loss of any collateral business opportunities or any other benefits, perquisites, or income from any other sources.
- (d) In the event Coach challenges such decision in a court of competent jurisdiction and the court determines that the University breached this Agreement by terminating Coach without cause, then the liquidated damages provision set forth in Article V, Section A.3 herein shall apply and shall be Coach's sole and exclusive remedy for any cause of action based on this Agreement.

## 2. Termination by University without cause.

This Agreement may be terminated at any time by University by delivering to Coach written notice of University's intent to terminate this Agreement without cause, notice of termination shall be effective thirty (30) days after the date of delivery of such notice to Coach.

3. Liquidated damages upon termination by University without cause, with notice.

- (a) The University shall have the right to terminate this Agreement prior to the expiration date without cause pursuant to Article V, Section A.2. In such event, the University shall pay to Coach or to Coach's estate or designated beneficiary should Coach die after termination but during the payment period, as his/her exclusive remedy in lieu of any and all other legal remedies, damages of any type, or equitable relief available to Coach, subject to Coach's duty to mitigate as set forth hereinafter, liquidated damages and not compensation in an amount equal to Coach's then current annual gross base salary less applicable withholdings for the period from the effective date of the termination to March 31, 2025. In the event of a termination subject to this paragraph occurring after March 31, 2025, the liquidated damages noted therein shall be paid from the effective date of the termination to the next occurring March 31<sup>st</sup>. Coach may be required to use accumulated unused vacation and personal leave for the period from the effective date of the termination to the end of the term per the unclassified staff benefits regulations. University's obligation shall be paid on a monthly basis, prorated over the balance of the term of this Agreement.
- (b) In the event Assistant Coach's appointment ends as a result of the Head Coach's death or total permanent disability under Article III., Section C.1, above, Assistant Coach will receive the compensation called for by Article IV. less applicable withholdings for the period from the date of the Head Coach's death or total permanent disability to the end of the current Contract Year, as defined in Article III, Section A., or for three (3) months, whichever amount is less. Assistant Coach may be required to use accumulated unused vacation and personal leave for the period from the Head Coach's death or total permanent disability to the end of Assistant Coach's appointment per the unclassified staff benefits regulations.
- (c) The University's obligation to pay liquidated damages is subject to Coach's duty to mitigate, as follows: In the event the University is required to pay liquidated damages under Article V. Section A. 3. , Coach agrees to mitigate the amount of liquidated damages to which is entitled under this Agreement and to make reasonable and diligent efforts to obtain other employment as soon as reasonably possible. Coach agrees to immediately notify the University upon accepting such other employment. After Coach accepts any such new employment, the total amount of liquidated damages the University is obligated to pay and Coach is entitled to receive as specified herein shall be reduced on a monthly basis by an amount equal to Coach's annual gross base salary paid for such month under Coach's new employment agreement until the expiration date of any payment period under Article V. Section A. 3. (a).

- (d) In either event, Coach may be entitled to continue Coach's health insurance plan at Coach's own expense through a private source or COBRA as permitted under applicable law. As permitted by Wisconsin law, Coach may secure a conversion policy for Coach's UW group term life insurance. Any other employee benefits that Coach was receiving at the time of termination will be terminated, including contributions to University retirement plans. In no case shall University be liable for the loss of any collateral business opportunities or any other benefits, perquisites, or income from any sources that may ensue as a result of University's termination of this Agreement without cause.
- (e) The parties have bargained for and agreed to the foregoing liquidated damages provision, giving consideration to the fact that termination of this Agreement by University without cause prior to its natural expiration may cause Coach to lose certain income, fringe benefits, supplemental compensation, or outside compensation relating to Coach's employment at University, which damages are extremely difficult to determine fairly or with certainty. The parties further agree that the payment of such liquidated damages by University and acceptance thereof by Coach shall constitute adequate and reasonable compensation to Coach for the damages and injury suffered by Coach because of such termination by University. The parties acknowledge that the foregoing is not, nor should it be construed to be, a penalty, and shall be binding upon the parties.

4. For death or disability.

Notwithstanding any other provision of this Agreement, this Agreement shall terminate automatically and shall be null and void if Assistant Coach dies or becomes totally or permanently disabled within the meaning of the applicable retirement system or of any University income continuation program definition or is otherwise unable to perform the essential functions of the position. In the event Assistant Coach becomes disabled as defined in the applicable University retirement system or income continuation program or is otherwise unable to perform the essential functions of the position, University agrees to continue Assistant Coach's annual gross base salary less applicable withholdings for ninety (90) days from the date of disability. Said ninety (90) days shall include the use by Coach of all accumulated sick, vacation and personal leave. Termination hereunder is not subject to the provision for liquidated damages set forth in Article V, Section A.3 above.

B. By Coach.

Coach recognizes that Coach's promise to work for University for the entire term of this Agreement is of the essence of this Agreement to University. Coach also recognizes that University is making a highly valuable investment in Coach's continued employment by entering into this Agreement and that its investment would be lost were to resign or otherwise terminate Coach's employment with University prior to the expiration of the term of this Agreement. While recognizing these agreements and this entire Agreement, the parties agree that Coach may, nevertheless, terminate this Agreement prior to its normal expiration, but only upon the following terms and conditions.

1. Termination by Coach

- (a) This Agreement may be terminated by Coach by giving University written notice of the termination of Coach's employment with University. In the event such termination occurs prior to the completion of the then-current season, including any Big Ten Championship, Bowl, College Football Playoff, or College Football Championship games, Coach may be required to pay to the University, at University's sole discretion, in lieu of any and all other legal remedies, damages of any type or equitable relief available to the University, and without regard to actions by the University to mitigate its damages, liquidated damages in an amount of Fifty Thousand Dollars (\$50,000). Such liquidated damages shall be due and payable within one hundred twenty (120) days after such termination.
- (b) The parties have bargained for and agreed to the foregoing liquidated damages provision, giving consideration to the fact that University will incur administrative, recruiting, and resettlement costs in obtaining a replacement for Coach in addition to potentially increased compensation costs if Coach terminates this Agreement, which damages are extremely difficult to determine fairly or with certainty. The parties further agree that the payment of such liquidated damages by Coach and acceptance thereof by University shall constitute adequate and reasonable compensation to University for the damages and injury suffered by University because of such termination by Coach. The parties acknowledge that the foregoing is not, nor should it be construed to be, a penalty, and shall be binding upon the parties.
- (c) In either event, Coach may be entitled to continue Coach's health insurance plan at Coach's own expense through a private source or COBRA as permitted under applicable law. As permitted by Wisconsin law, Coach may secure a conversion policy for Coach's UW group term life insurance. Any other employee benefits that Coach was receiving at the time of termination will be terminated, including contributions to

University retirement plans. In no case shall University be liable for the loss of any collateral business opportunities or any other benefits, perquisites, or income from any sources that may ensue as a result of University's termination of this Agreement without cause

**VI. NOTIFICATION REQUIRED PRIOR TO DISCUSSION WITH OTHER EMPLOYERS**

The parties agree that should another employment opportunity be presented to Coach or should Coach be interested in other employment during the term of this Agreement, Coach shall notify the Head Coach of such opportunity or interest before any discussions can be held by Coach with potential employer. This provision is essential to this Employment Agreement and violation thereof may be considered just cause for termination pursuant to Article V, Section A.1.

**VII. DISCIPLINARY/CORRECTIVE ACTION**

Pursuant to NCAA Bylaw 11.2.1, Coach understands and agrees that if Coach is found in violation of any NCAA or Conference Legislation or fails to report a violation, shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures, including suspension without pay or termination of employment for significant or repetitive violations. It is understood and agreed that any such disciplinary or corrective actions shall be in addition to and in no way limit or restrict any actions the University may take pursuant to Article V herein.

**VIII. OUTSIDE EMPLOYMENT, ACTIVITIES AND BENEFITS**

**A. Prior approval.**

Coach agrees to comply with NCAA Bylaw 11.3.2.1.1, which requires Coach to provide a detailed account annually for a report to be shared with the Chancellor of the University, or designee, of all athletically-related income and benefits received from sources outside the University [other than cash or cash equivalents (as opposed to tangible items) if the total amount received is \$600 or less], including but not limited to: sports camps; television and radio programs; commercial endorsements; endorsement or consultation contracts with athletic shoe, apparel, or equipment manufacturers; income from annuities (provided by entities outside the University); and income from ownership, control or management of a foundation, organization, or other entities. Coach agrees to provide to the University upon request copies of all records and contracts related to Coach's athletically-related income.

B. Reporting of previous receipt.

Coach shall annually report outside activities and interests and employment perquisites received during the previous year as required by Division policy and/or UWS Chapter 8.

C. Assignment of rights.

Coach acknowledges that the total compensation to be paid to Coach as Assistant Football Coach is intended to include any and all amounts Coach might have expected to receive from (1) any television and radio shows and advertising revenues derived from those shows and (2) any arrangements with athletic shoe, apparel or equipment companies. It is therefore understood and agreed that any and all rights Coach has in the production and compensation for any television and radio shows and related advertising and any shoe, apparel or equipment arrangements are hereby assigned in their entirety to the University or University's designee.

In connection with said assignment, Coach agrees as follows:

1. To grant University the right to use the Coach's name and likeness in promoting any television or radio show;
2. To grant University the right to permit others to sell all or a portion of the advertising for any such show;
3. To grant University the right to collect and retain the revenues generated from the sale of advertising on any such show;
4. To appear on any such show and to work cooperatively with the producer of such shows in scheduling taping sessions and other related production issues;
5. To work cooperatively with any shoe, apparel or equipment company to assist in the fulfillment of the University's obligations under any arrangement with the shoe, apparel or equipment company;
6. To avoid entering into any agreement in Coach's personal capacity which may conflict with University's other contractual obligations, or under which Coach purports to endorse or sponsor the products of any company that competes with a University sponsor or partner.

It is further expressly understood that the University may reassign any and all of the rights assigned to it by Coach.

D. Use of name and logos.

It is further understood and agreed that Coach shall not, directly or by implication, use University's name or logos in the endorsement of commercial or other products or services for personal gain or otherwise without the prior written approval of the Chancellor or designee.

**IX. MEDICAL DECISIONS**

Coach hereby understands and agrees that the final decision regarding student-athlete participation in organized practices and/or competitions shall be made by the Division's medical and training room staff. This provision is essential to this Employment Agreement and violation thereof may be considered just cause for termination pursuant to Article V, Section A.1.

**X. UNIVERSITY PROPERTY**

Not later than the effective date of termination or expiration of this Agreement, Coach shall return to the University any University issued automobile, equipment, cash advance, credit cards, telephone calling cards, University keys and other items, unless otherwise agreed to in writing by the University. Coach agrees that the University shall be authorized to deduct the value of any and all such un-returned items from Coach's final University payroll check or liquidated damage payment.

Furthermore, Coach agrees that during Coach's employment will receive or be involved in the development of charts, films, books, reports, diagrams, and other paraphernalia, which shall be and remain the property of University, and agrees to surrender such property upon demand by the Head Football Coach or Director of Athletics or designee. Any materials created on Coach's free time, and at Coach's expense, shall remain Coach's property.

**XI. ACADEMIC POLICY AND GOVERNANCE**

Coach understands that, by Wisconsin law and custom, the Board of Regents is responsible for the governance of all parts of the University of Wisconsin System. The Board of Regents have delegated to the University Chancellor all necessary authority and ultimate responsibility for intercollegiate athletics. The Chancellor has delegated all necessary responsibility and authority for the day to day operation of intercollegiate athletics to the Director of Athletics. The University faculty has certain responsibilities for the governance of the University, including academic and educational activities. The faculty have delegated to the Athletic Board all the faculty's responsibility and authority over such aspects of intercollegiate athletics.

**XII. ACADEMIC SUPPORT**

The personal and academic well-being of every student-athlete is the primary concern of the University and Athletic Board. Coach understands the importance of academic performance and agrees to take an active role to expedite the progress of each student-athlete toward a degree, and to cooperate with the Division's Academic Services staff to facilitate that progress.

**XIII. ENTIRE AGREEMENT**

This Agreement contains the entire understanding of the parties, with respect to the matters contained herein, and there are no representations, warranties, covenants, or undertakings other than those expressly set forth herein.

**XIV. SEVERABILITY/SAVING CLAUSE**

If any provision of this Agreement shall be determined to be void, invalid, unenforceable, or illegal for any reason, it shall be ineffective only to the extent of such prohibition and the validity and enforceability of all the remaining provisions of this Agreement shall be deemed valid and shall remain in full force and effect.

**XV. MODIFICATION**

This Agreement may be amended only upon mutual agreement in writing by the parties.

**XVI. ASSIGNMENT**

Neither party may assign its rights or obligations under this Agreement except as specifically stated herein without the advance, written consent of the other party; provided, however, that nothing contained herein shall prohibit Coach from assigning, for collateral purposes only, Coach's right to receive payments hereunder, including, but not limited to, Coach's payments of salary under Article IV or liquidated damages under Article V.
