Our Vision: To be a faithful, growing church that demonstrates true community, deep Christian spirituality, and a passion for justice. We believe our congregation to be a hospitable, welcoming church, and the backbone of our congregation is our focus on caring. We care about those in our church family, constantly praying for those who are ill, who are burdened by life and who simply need to feel God's love. We are a church that believes in the power of prayer and want very much to show you that we care and that so does God.
