Cumberland Heights Baptist Church

We here at Cumberland Heights Baptist Church are a group of believers who love God and love people! The name on the sign may be Baptist, but we are first and foremost followers of Jesus Christ (Christians). It is our desire that all come to know Jesus Christ as Lord and Savior and be trained and encouraged to minister to others.

Compassion is our passion.

Not everyone can say they're passionate about their work. We're not everyone. Every day that we're able to help another family make it through a painful loss is one more day we're proud to be in our chosen profession. Our compassion toward families and enthusiasm for serving the community is truly what sets us apart.

MERCER CHRISTIAN ACADEMY

Educating for Life!

Home of the Cavaliers!

Educating Elementary through High School with high Academic and Spiritual standards since 1980.

Main Office: 304.425.5671

A ministry of Johnston Chapel Baptist & Maranatha Baptist Churches

The Orthopedic Center

Total knee or total hip replacement surgery may vastly improve your quality of life!

Total joint replacement is available at Princeton Community Hospital's Orthopedic Center, where we offer a comprehensive joint replacement program structured around the fundamental principle of wellness.

Princeton Community Hospital, now an affiliate of WVU Medicine, was the first hospital in West Virginia to obtain Hip and Knee Replacement Certification from DNV-GL, an internationally acclaimed certification organization.

What are recent total joint replacement patients saying about their experience at PCH's Orthopedic Center?

- *I've been climbing ladders and working like someone 20 years younger. I knew my knees had slowed me down, but I didn't realize how much until after I had them replaced.*
- *I felt well cared for by skilled, concerned, helpful people. I'm grateful to have access to top level medical care right here at home.*
- *Before having both my knees replaced, I didn't realize how my limited mobility due to pain had restricted my activity. I feel like a young man again.*
- *Before this surgery, I could barely walk 20 feet without stopping to rest due to the pain. Yesterday, I walked three miles with my wife, and she had to stop more than I did! I could have kept on going for another mile or so.*
- *Princeton Community Hospital is one of the best hospitals I've ever been in. My care was fabulous. Kudos to the orthopedic staff and surgery department.*

For more information on the total joint replacement program at Princeton Community Hospital, please call Orthopedic Care Coordinator Helena Griffith at 304.487.7896 or email: helena.griffith@pchonline.org
