Pets The Week

Remi

Sushi

Meet Remi, Remi, Remi! Just like a big mug of hot cocoa, this 2-year-old large mixed-breed boy is full of energy at first, then sweet and comforting once he settles in. Remi is still very much in his puppy mindset and will keep you on your toes, so he'll thrive with a family ready to invest a little time in training and fun activities. After he burns off that initial burst of excitement, Remi shows his softer side—playful, affectionate, and eager to be your cozy companion. Because of his size and enthusiasm, he'd do best in a home with children 11 and up. If you're looking for a lively, loving dog to warm your winter days, Remi might just be your perfect cup of cocoa.

Sushi is currently in foster care for what we lovingly call single kitten syndrome—he didn't have a fellow kitten growing up to teach him the house rules, so earlier this year he definitely landed himself on the naughty list. But good news... he's been working very hard on his manners and is making great progress! While he may still try to sneak in a little mischief now and then, Sushi is truly a gentle, cuddly boy who adores attention, treats, and cozy snuggles. He's confident around big dogs, gets along well with other cats, and does great with kids around 9 and up. With continued guidance and lots of love, Sushi is well on his way to earning a permanent spot on the nice list—and maybe even under your Christmas tree.

You can adopt **Sushi** for \$100 and **Remi** for \$175 - Both animals are fixed and will have age appropriate vaccinations at the time of adoption!
