How to Play:

- Beginning March 4, 2026 through June 16, 2026 look through the pages of the Bedford Gazette each day for the daily Official Bingo Number.
- If the daily number matches a number on one or both of the game pieces on your Official Bingo Card, cut it out and carefully tape it to your card as the number on the game piece needs to be legible in order for you to be eligible for prizes. There will be two copies of each number published each day in case you have that number on both of your game pieces.
- If one of your game pieces is the first to match the custom Bingo patterns, bring it to the Bedford Gazette office to see if you are a prize winner. Prize is listed below each sponsor. One prize per sponsor. If you are a winner you will keep the game piece to continue playing to be eligible for the grand & second prizes.
- Every number on your game piece MUST have the correct Bingo number secured to that square. If your game pieces are not completely filled, keep playing until all the numbers are covered. Incomplete game pieces will be

disqualified. **NO EXCEPTIONS.** No facsimiles allowed. Numbers are available **FREE** each day at the Bedford Gazette office.
5. Once one of the game pieces on your official card is completely filled, bring it to the Bedford Gazette Office at 424 W. Penn St., Bedford between 8 a.m. - 4 p.m., Monday through Friday, to see if you are the grand prize winner. **No phone calls please.** If you are the grand prize winner, you can keep the other game piece to be eligible for the second prize drawing on June 30, 2026.
6. Once a grand prize winner is announced the Bingo game continues until the last daily number is published on June 16, 2026. Bring your Bingo card with both game pieces completely filled to the Bedford Gazette office by June 29, 2026, 4 p.m., to be eligible for the second prize drawing. Limit one entry per contestant in the prize drawing.
