

# **2026 Action Plan Public Review and Comment Period Town of Cheektowaga Community Development Block Grant and Amherst HOME Consortium**

**In order to maintain its eligibility to administer certain federal funds for affordable housing and community development, the Town of Cheektowaga must prepare an Annual Action Plan (AAP) and submit it to the U.S. Department of Housing and Urban Development (HUD). The Annual Plan is reflective of needs in the community, resources available, and objectives established to address those needs as outlined in the previously submitted Consolidated Plan for 2025-2029. The Annual Plan lists projects proposed for funding with CDBG and HOME funds during FY 2026 that will address housing & community development needs, goals, and objectives described in the Consolidated Plan.**

**The Draft AAP is based on estimated resources from HUD for the upcoming period. When the actual CDBG and HOME grant awards become known, any increase in CDBG funding in the final allocation will be absorbed in the Housing Rehabilitation Program, while any decrease will cause reassessment of public services and administration activities in relation to HUD mandated caps.**
