**When the Person You Love Needs Care, You Need A Partner You Can Trust.**

Inviting someone into your home is not a small decision. It requires trust, compassion, and confidence that your loved one will be treated with dignity and respect.

At Senior Solutions of Western New York, we provide private-pay, in-home care that helps seniors remain safe, comfortable, and independent - right where they belong.

Our caregivers are carefully selected, thoroughly supported, and thoughtfully matched to each client's needs. We take the time to understand your family, your concerns, and your goals, so you never feel alone in this process.

**Our services include:**

- Companionship and emotional support
- Personal care assistance
- Medication reminders
- Meal preparation
- Light housekeeping
- 24-hour care available
