**Here you are, another day on the job hunt. But you're looking for more than a paycheck, right?**

**You're looking for your calling.** For a way to make a difference. For something that, when you clock out for the day, you can't help but feel good about the time you put in and the lives you changed. You hear laughter in the halls because your colleagues have perfected the art of getting the job done while having a good time. You want people to leave your presence thinking, "They saved my life!" In an ideal world, you would achieve all this without being confined to a cubicle and working 40-hour workweeks. So, let us introduce ourselves.

We are Buffalo Advanced Medical Acupuncture, an integrative medical clinic in Cheektowaga. We specialize in treating chronic pain and complicated conditions and giving our staff jobs that mean something. You're probably thinking, "This is too good to be true." But we assure you, we're an exception to the 'all that glitters isn't gold' rule. So long as the words 'that's not my job' aren't in your vocabulary and you have a charming personality that can only be described as "everyone's favorite granddaughter (or grandson)." The ideal candidate thrives in controlled chaos and is known to 'never let 'em see you sweat.' You are known for your multitasking abilities, and you always make people feel like they're the only ones in the room. You are a bright light of optimism and a strong shoulder to lean on as you help our patients on their journey towards true health and getting them back to living life!

**More about us:**  
We have a **weekday, daytime schedule** with the occasional weekend event, as community engagement is a cornerstone of our work. We offer a competitive wage commensurate with experience and infinite room to grow as we face exponential growth. Translation: *This could be a promising career for the right candidate.* No medical background? No problem! **We hire authentic, resourceful, outgoing personalities and then train you to do the rest.** If the possibilities inspire you and you would like to join us in our mission to change lives and help people live free from pain, send your **resume AND cover letter** telling us why you're the perfect candidate with the subject "Uncut Gem" to [admin@BAMacupuncture.com](mailto:admin@BAMacupuncture.com)

**BAM ACUPUNCTURE**  
An Integrative Health Center

*If you fail to submit your application to the address above, you won't be considered. The "ability to follow basic instructions" is an essential job requirement.*
