

# BELGRADE AREA PROJECTS

## MAIN STREET – JACKRABBIT LANE TO BOLINGER ROAD

Federal Project ID: STPU 0615(4)

Estimated Cost: \$3.5M

Highlights: This project will widen the existing road to a three-lane facility, add and upgrade non-motorized facilities, improve drainage and stormwater management features, and install street lighting.

## BOLINGER ROAD AND MAIN STREET TURN LANES

- The City of Belgrade will reconstruct this intersection to include turn lanes and a signal.

## BELGRADE URBAN IMPROVEMENTS

Federal Project ID: NH-CMDP 0699(4)

Estimated Cost: \$30.0M

Highlights: This Project will construct a new grade-separated railroad crossing, add and upgrade non-motorized facilities, install a new signal at Jackrabbit Ln and Main St, and increase the capacity of Jackrabbit Ln with additional travel and turn lanes.

THORPE ROAD

MADISON AVENUE

AMSTERDAM ROAD

## AMSTERDAM ROAD INTERSECTION IMPROVEMENTS

Federal Project ID: HSIP 347-1(5)4

Estimated Cost: \$600K

Highlights: This project will upgrade or install turn lanes and signals at Amsterdam Road's intersections with River Rock Rd and Green Belt Dr.

## BELGRADE - INTERSECTION IMPROVEMENTS

Federal Project ID: NH-CMDP 0699(8)

Estimated Cost: \$2.9M

Highlights: This project will upgrade 6 existing signals, improve non-motorized facilities, and install a new signal at the Main St and Broadway intersection.
