As we bring honor on this Memorial Day, let us not lose sight of those that have served our country and those protecting our freedom today.

F. B. Hardy had the forethought to build a business that was dedicated to serving the families of the Warren County Community some 95 years ago. With dignity and pride, Bill Hardy, Jr., and the staff of Hardy & Son Funeral Homes continue today to assist families in their time of need. Choosing the facility and staff to handle the wishes of a deceased individual and those left to carry on is a choice. We give thanks daily for those that choose Hardy & Son to carry out those needs, wishes & desires.

May you enjoy your family and friends during this Memorial Day Holiday and never lose sight of what this holiday means.

IN MEMORY OF ALL OUR FALLEN HEROES

For all who gave their yesterday, a Thank You today on this Memorial Day!

from the Warren County PVA Office

Memorial Day commemorates the men and women who died while in the military service of their country, particularly those who died in battle or as a result of wounds sustained in battle.

In other words, the purpose of Memorial Day is to memorialize the veterans who made the ultimate sacrifice for their country.

We spend time remembering those who lost their lives and could not come home, reflecting on their service and why we have the luxury and freedom that we enjoy today. We might consider how we can support and safeguard their grieving families and loved ones who are left behind.

In loving memory of
Debra Spence

Debra Lynn Spence, 57 of Bowling Green passed peacefully surrounded by her family on Thursday, June 17, 2021. Debbie was a much-loved employee of the Bowling Green Daily News for over 30 years. Her attention to detail and creative spirit helped countless Bowling Green businesses with ads to help grow their business, but her caring spirit and joyful laugh are missed most of all by the Daily News family. Our thoughts and prayers for her husband David Spence, her son Sam Spence, and her family continue.

The Bowling Green Daily News is honored to provide the service of informing our community when we lose one of our members. An obituary is a chance to not only provide funeral information, but to acknowledge that someone who was loved was lost. It offers a printed testament to their life to be saved for future generations.

Thank You

for the honor of celebrating and remembering the lives of South Central Kentuckians for over 160 years.
