On the following pages, you’ll find the results of the Best of Bowling Green 2018

In August, readers of the Daily News and the Amplifier were invited to nominate their favorites in over 100 categories. In September, the top five nominees in each category were then voted on by the readers to determine the best.

The Best of Bowling Green is not scientific and does not pretend to be. It is offered for entertainment purposes only.
We at State Farm Insurance would like to take this opportunity to say...

THANK YOU

to the Daily News & Amplifier Readers for voting State Farm Insurance the BEST INSURANCE AGENCY the 13th year in a row in the 2018 Best of Bowling Green Readers Survey!
