SOUTH CENTRAL BANK
THERE IS A DIFFERENCE

Keeping Your Home Loan, Home.

The mortgage loan application process can be confusing, and sometimes even a little bit scary. So it feels good to have someone who speaks your language sitting across the table from you. The loan officers and staff at South Central Bank live **right here where you live**, and they'll help you every step of the way.

Even better is the added knowledge that the home loan that starts at South Central Bank...stays at South Central Bank.

Whether this is your first time to buy, or your "next time," the mortgage lenders at South Central Bank will treat you to all the comforts of home.
