Thank you Bowling Green ... for voting us
2016 Best Grocery Store
in Bowling Green

On the following pages, you'll find the results of the Best of Bowling Green 2016

In August, readers of the Daily News and the Amplifier were invited to nominate their favorites in over 100 categories. In September, the top four (or more in cases of ties) nominees in each category were then voted on by the readers to determine the best.

The Best of Bowling Green is not scientific and does not pretend to be. It is offered for entertainment purposes only.

For a First Class Auction: "Byrd is The Word!"

I feel honored to have been voted "The Best" from "A Daily News Readers Poll" for this year's "Best of Bowling Green" I appreciate your confidence in our ability and service in the auction profession. I know of many other auctioneers throughout this area that are among "the best" in the state and nation.

In 1967, while a student at WKU I passed the exam to become a KY licensed auctioneer. I had been bid calling since I was 13-14 years old. I was fortunate at a young age to know what profession I wanted to pursue.

During these almost 50 years I have had the pleasure to work for and with many fine folks. I have tried to uphold & always do my part to improve the auction profession. Thanks to our many clients of today and from over the years.

Ken Byrd
