

Keifer Daugherty

CONGRATULATIONS TO ALL 40 UNDER FORTY HONOREES!

Several words can be used to describe Keifer Daugherty – committed, trustworthy, intelligent, innovative, and humble. As Operations General Foreman at Sibanye-Stillwater's Precious Metals Smelter, Keifer has led the smelting operations with an emphasis on the safe, environmentally responsible production of precious metals that support the US. Keifer carries his grass roots values to the workplace, leading by example, listening with intent, and recognizing team successes.
