## We are proud to sponsor Relay for Life.

At Billings Clinic, we believe in honoring strength, courage, and hope.

That's why we're proud to sponsor Celebrate for Life—a Relay for Life event that celebrates survivors, remembers loved ones, and rallies our community together in the fight against cancer. Join us **September 27** for an evening of music, community, remembrance, and fun—all to support lifesaving treatment, travel, and education for every life battling cancer in our community.
