

SERVING

THOSE WHO SERVED US FIRST!

REHDER

Balance & Hearing Clinic

Dr. Jared Browning has been working with veterans for over 27 years.
"I am so grateful to serve the veterans everyday. I'm so honored to serve those who have served us first. They truly are my heroes, and deserve all our respect."

We are proudly in network with the VA and various other veteran networks. We have two locations to take care of our veterans hearing, balance and overall health evaluations. We have wonderful Doctors, Audiologists, and staff ready and able to take care of our veterans and their individual needs.

Rehder Balance & Hearing and Hearing Now Audiology are teaming up to thank our hero's in the Armed Forces.

Happy Veterans Day to all those who served this country. We are so thankful for your dedication.

Please come into Rehder Balance & Hearing on Veteran's Day for a small gift of our appreciation and some refreshments.
