25	26	27	28	29	30	31

The holiday season brings plenty of boxes, wrapping paper, gift bags, ribbons & bows. Please **AVOID** all glittery, glossy, sparkly, or shimmery items and any packing material like styrofoam & bubble wrap in your cardboard recycling stack. Contamination makes the entire load unrecyclable, so please help keep the program strong and the rates low by making sure **ONLY clean & empty cardboard** goes in.

We appreciate your recycling spirit and cooperation throughout the holidays.
