

PATIENT CARE FOR THE WHOLE FAMILY IS THE CORE OF CORE DENTAL

Dr. Chalsey Nelsen and her family are excited to put down roots in the Billings community. Dr. Chalsey acquired now retired, Dr. Steven Erickson's dental practice and gave the practice a new name, CORE Dental.

CORE is an acronym created using the first letters of the names of Dr. Chalsey's family- Chalsey, Oscar, Ruby, and Eric.

Dr. Chalsey has been practicing dentistry for over seven years. A Beach, ND native, Dr. Chalsey completed her undergraduate degree at North Dakota State University in Fargo and attended Creighton University School of Dentistry in Omaha, NE, where she obtained her Doctorate of Dental Surgery (DDS). Dr. Chalsey then practiced in Rochester, MN, and Madison, WI before moving to Billings.

"I'm happy to be here in Billings," says Dr. Chalsey. "I was familiar with Billings as I have visited my sister and her family here over the years. When the opportunity to acquire a practice here came up, I jumped at the chance. The community and our patients have been warm and welcoming, and we couldn't be happier to be here."

CORE Dental is a family dentistry practice, treating both children and adults.

Dr. Chalsey focuses on the needs of her patients using a very consultative process to explain all treatment plans and finances before proceeding with any treatment. Customized payment plans are available for those cases where care is needed, but the expense was unplanned.

Patients even receive a phone call the next day to see how they are doing following treatment.

Dr. Chalsey is pleased to work with an experienced and friendly team as well. Rosemary, Dannielle, Taylor, Jimmye, Jessica, and Michelle possess the same dedication to patient care that makes up the core of CORE Dental.

CORE Dental is located at 2700 Grand Ave. Find more information at coredentalcare-mt.com or by calling 406.652.9100. You can even email Dr. Nelsen directly at drneslen@coredentalcare-mt.com. Register to win open house prizes at the office.
