

Open House

Wednesday, December 10 from 4 to 6 p.m.

Huntley Project Museum

770 Railroad Highway

Huntley, MT 59037

Join the Montana Department of Transportation (MDT) for an open house to learn about the proposed *Huntley Area Projects*, which include plans to replace the deteriorating Twelve Mile Creek bridge and make necessary roadway improvements along Old Highway 312, near Huntley.

The open house will provide an opportunity to ask questions, see visuals of the proposed improvements, and engage with the project team. This will be an informal event to encourage interactive discussion—attendees are welcome to come and go whenever is most convenient.

Any person with a disability needing a reasonable accommodation to participate in this activity or an alternative accessible format of this notice should contact DOWL at 406-869-6391 or MDT's ADA Coordinator Matt Maze at mmaze@mt.gov, 406-444-5416, or Montana Relay Service at 711. Requests for an accommodation to participate should be made by December 5. MDT will attempt to honor requests made after this date.
