

# PRESIDENT TRUMP'S AND SECRETARY ZINKE'S ATTACK

on our national monuments undermines the legacy of Theodore Roosevelt and disrespects our hunting and angling heritage.

Dismantling **Bears Ears** and **Grand Staircase-Escalante national monuments** is the biggest rollback of public lands conservation in U.S. history.

## An attack on one monument is an attack on them all

To take action and learn more, go to [backcountryhunters.org](https://backcountryhunters.org)

Following the administration's move to reduce national monuments in Utah, the world-class hunting opportunities in the **Upper Missouri River Breaks National Monument** are under threat.
