Greetings from Northwest College in beautiful northwestern Wyoming! I would like to introduce you to our excellent college and highlight the remarkable opportunities for LDS students.

At Northwest College you will receive a first-rate education with personal attention; our classes are much smaller than at a typical university. Even though we are an intimate campus where your faculty will know you by name, there are numerous clubs and activities in which to participate. It is easy to get involved!

If you are planning to earn a bachelor's degree, Northwest is a great place to begin your college studies. We have transfer agreements with several four-year institutions, including the University of Wyoming, BYU-Provo, BYU-Idaho, and universities in Montana. These will help make transfer as smooth as possible once you have completed your academic work at Northwest College.

As an active member of the Church of Jesus Christ of Latter-day Saints, I am quite familiar with the advantages that Northwest College and Powell have to offer LDS students in particular. The attached letter from Fred Hopkin, the Cody Stake President, discusses many of these:

- Powell has a Student Ward that meets in a chapel right next to campus.
- The Student Ward has Family Home Evenings on Monday nights and fun social activities on most Friday nights.
- We have one of the largest LDS Institute programs in either Wyoming or Montana. The Institute Building is also adjacent to the Northwest College campus.
- "Friday Forums" are meetings held at noon every Friday in the Institute Building where students hear guest speakers and eat together. I have spoken a few times at these; they are very enjoyable!

One of the many things I love about being President of Northwest College is my opportunity to interact with our wonderful students. They are a great group! If you choose to attend Northwest College, I think you will find a welcoming environment that includes a strong network of LDS students.

If you have any questions about what we have to offer, please call or email me. My direct office number is (307) 754-6200 and my email is [paul.prestwich@northwestcollege.edu](mailto:paul.prestwich@northwestcollege.edu). I would love to hear from you! Good luck in your educational pursuits. We hope you choose Northwest College!

Sincerely yours,

Paul B. Prestwich, Ph.D.
